

Status of Corrective Actions

Sr. No.	AT Findings and Recommendations	Corrective Actions	Status	Remarks
1	For the Session 2023 and onward new UGP curriculum should be implemented according to HEC.	The academic council has adopted UGP-2023 in its 3 rd meeting (No.UOC/REG/2023/75) held on dated Novemeber 22, 2023.	Implemented from Fall, 2023.	Completed
2	Laboratories need more supporting staff and proper infrastructure.	The department has requested for appointment of supporting staff for laboratories and a demand is also submitted to relevant office for laboratories infrastructure.	The supporting staff for laboratories is available. Currently labs are functional with temporary infrastructure, however the developmental work of labs is in progress.	Half Completed Half In Progress
3	Faculty promotion and evaluation needs revision of policy. Satisfaction and support of faculty to keep them motivated is suggested.	Faculty promotion and evaluation is done as per rules and regulations prescribed in UOC Act, 2019.	As per Selection Board	In Progress
4	Number of faculty members are inadequate.	Sanctioned posts had been advertised and now waiting for selection board.	As per Selection Board	In Progress
5	A central computer laboratory is required for students' facilitation.	A smart classroom is available in the University. It is equipped with updated PCs and state of the art infrastructure.	Implemented	Completed
6	A central/ hi-tech laboratory is required.	The department has submitted a demand to competent authority.	In Progress	In Progress
7	There should be allocation of departmental funds for smooth running of departmental/ laboratory activities.	The department has requested to competent authority for allocation of departmental funds.	In Progress	In Progress

Chairman's Comments: Valuable insights and recommendations are acknowledged. There are some critical comments made by external evaluator which are very useful for the improvement of the department. Few of the suggestions have already been worked upon but some are likely to be completed in the near future. Some of the recommendations are require active input from administration of UOC but we hope that all of these will be addressed before the next SAR of Botany department.
